PROMOTION OF ACCESS TO INFORMATION ACT SECTION 51 MANUAL

Introduction

This Manual is published in terms of Section 51 of the Promotion of Access to Information Act, 2000 (Act No. 2 of 2000) ("the Act"). The Act gives effect to the provisions of Section 32 of the Constitution, which provides for the right of access to information held by the State and to information held by another person that is required for the exercise and / or protection of any right.

The reference to any information in addition to that specifically required in terms of Section 51 of the Act does not create any right or entitlement (contractual or otherwise) to receive such information, other than in terms of the Act.

1 LOGIX DESIGN AND DEVELOPMENT NAME OVERVIEW

Logix Design and Development provides I.T Products and Services, Networking Solutions, Surveillance and Custom Software and Website Solutions to its customers in the Small to Medium Enterprise (SME) and Corporate markets.

Logix Design and Development supports the constitutional right of access to information and we are committed to provide you access to our records in accordance with the provisions of the Act, the confidentiality we owe third parties and the principles of South African law.

2 AVAILABILITY OF THIS MANUAL

A copy of this Manual is available on our website (www.idd.co.za) or by sending a request for a copy to the Information Officer by e-mail. The Manual may also be obtained from our head office, the South African Human Rights Commission ("SAHRC") at the addresses set out below or from the Government Printers. This Manual will be updated from time to time, as and when required.

3 HOW TO REQUEST ACCESS TO RECORDS HELD BY LOGIX DESIGN AND DEVELOPMENT

Requests for access to records held by **Logix Design and Development** must be made on the request forms that are available from our website and office, from the SAHRC website (www.sahrc.org.za) or the Department of Justice and Constitutional Development (www.doj.gov.za) (under "regulations").

A request fee may be payable. Annexure D can be accessed on the SAHRC website (www.sahrc.org.za) or the Department of Justice and Constitutional Development (www.doj.gov.za, under "regulations"). You can submit a request without paying the request fee but please note that payment of the prescribed fees must be made before the request will be processed.

Requests for access to records must be made to our Information Officer at the address, fax number or electronic mail address provided for below.

The requester must provide sufficient detail on the request form to enable the Information Officer to identify the record and the requester. The requester should also indicate which form of access is required and indicate if he or she wishes to be informed in any other manner and state the necessary particulars to be so informed.

The requester must identify the right that he or she is seeking to exercise or protect and provide an explanation of why the requested record is required for the exercise or protection of that right.

If a request is made on behalf of a person, the requester must then submit proof of the capacity in which the requester is making the request to the satisfaction of the Information Officer of **Logix Design and Development**.

The standard form, Annexure_C_Form_C_Request_Form, that must be used for the making of requests can be accessed on the SAHRC website (www.sahrc.org.za) or the Department of Justice and Constitutional Development (www.doj.gov.za, under "regulations"). Not using this form could cause your request to be refused (if you do not provide sufficient information or otherwise) or delayed.

Kindly note that all requests to **Logix Design and Development** will be evaluated and considered in accordance with the Act. Publication of this manual and describing the categories and subject matter of information held by **Logix Design and Development** does not give rise to any rights (in contract or otherwise) to access such information or records except in terms of the Act.

- Telecommunications Act 103 of 1996

8 RECORDS HELD BY LOGIX DESIGN AND DEVELOPMENT

Logix Design and Development maintains records on the following categories and subject matters. **However, please note that recording a category or subject matter in this Manual does not imply that a request for access to such records would be honoured.** All requests for access will be evaluated on a case by case basis in accordance with the provisions of the Act.

8.1 Internal records

The following are records pertaining to the own affairs of **Logix Design and Development** and those of its divisions, subsidiary and associated companies:

- Memorandum and Articles of Association
- Financial records
- Operational records
- Licences
- Intellectual property
- Marketing records;
- Internal correspondence;
- Product records;
- Statutory records;
- Internal policies and procedures;
- Records held by officials of **Logix Design and Development**.

8.2 Personnel records

Personnel refers to any person who works for or provides services to or on behalf of **Logix Design and Development** and receives or is entitled to receive any remuneration and any other person who assists in carrying out or conducting the business of **Logix Design and Development**. This includes, without limitation, directors, executive directors, non-executive directors, all permanent, temporary and part-time staff as well as contract workers. Personnel records include the following:

- Any personal records provided to **Logix Design and Development** by their personnel;
- Any records a third party has provided to **Logix Design and Development** about any of their personnel;
- Conditions of employment and other personnel-related contractual and quasi-legal records;
- Internal evaluation records; and
- Other internal records and correspondence.

8.3 Customer records

Please be aware that Logix Design and Development is very concerned about protecting the confidential information of its customers. Please motivate any request for customer information very carefully, having regard to Sections 63 to 67 of the Act.

Customer information includes the following:

- Any records a customer has provided to **Logix Design and Development** or a third party acting for or on behalf of **Logix Design and Development**;
- Contractual information;
- Customer needs assessments;
- Personal records of customers;
- Credit information and other research conducted in respect of customers;
- Any records a third party has provided to **Logix Design and Development** about customers;
- Confidential, privileged, contractual and quasi-legal records of customers;
- Customer evaluation records;
- Customer profiling;
- Performance research conducted on behalf of customers or about customers;
- Any records a third party has provided to **Logix Design and Development** either directly or indirectly; and
- Records generated by or within **Logix Design and Development** pertaining to customers, including transactional records.

8.4 Technical records

Will be available, if applicable, on specified request.

8.5 Other Parties

Records are kept in respect of other parties, including without limitation contractors, suppliers, joint ventures, service providers and general market conditions. In addition, such other parties may possess records, which can be said to belong to **Logix Design and Development**. The following records fall under this category:

- Personnel, customer or **Logix Design and Development** records which are held by another party as opposed to being held by **Logix Design and Development**; and
- Records held by **Logix Design and Development** pertaining to other parties, including financial records, correspondence, contractual records, electronic mail, logs, cached information, records provided by the other party, and records third parties have provided about the contractors/suppliers or customer.

8.6 **Other Records**

Further records are held including:-

- Information relating to own commercial activities of **Logix Design and Development**; and
- Research carried out on behalf of a client by **Logix Design and Development** or commissioned from a third party for a customer;
- Research information belonging to **Logix Design and Development**, whether carried out itself or commissioned from a third party.
